Productos Gluten Free:

El 13 de enero celebramos el Día Nacional Sin Gluten, una fecha especial para crear conciencia y aprender sobre la evolución de la comunidad sin gluten, y apoyar a aquellos con intolerancia al gluten o enfermedad celíaca.

El gluten es una proteína presente en cereales como el trigo, la cebada y el centeno. Actúa como estabilizador en muchos alimentos, ayudando a mantener su forma. En Four Drops, entendemos la importancia de ofrecer productos sin gluten de alta calidad. Aquí presentamos nuestra selección exclusiva de productos gluten free, diseñados para satisfacer las necesidades y gustos de nuestros clientes.
